

No Obligation Assessment Consultation

If ever there were a time you needed expertise on golf course and club real estate tax assessments, it's now. That's why, as a courtesy to those who attended our recent webinars, we're offering a no obligation consultation to those golf courses and clubs to assist in the consideration of contesting its assessment.

At Golf Property Analysts, our experience is second to none:

- 3,500+ golf property appraisal/consulting assignments
- 45 US states, Canada, Scotland, the Caribbean
- 35 years of golf specific experience
- Numerous expert witness appearances
- Clients include taxpayers and taxing authorities
